

SiS housing

## RULES FOR SUBLETTING

1. It is allowed to sublet for six months during the whole contract period.
2. A demand for subletting is that the current tenant spends a part of the contract period to study somewhere else.
3. The subtenant has to be a full- time student.
4. The tenant holding the contract is responsible for the apartment, furniture and the estate in the period of subletting. Rent must be paid by the person holding the contract.
5. For the subletting to be approved the current tenant has to be on top of rent and additional bills.
6. Both subtenant and the current tenant will loose the right to rent if subletting is done illegally.
7. Subletting contracts should have similar conditions as the contract SiS use. A copy of the subletting contract should be shown to SiS.

Application regarding subletting can be handed in or sent to:

SiS bolig  
4036 Stavanger
